Report of Schools.

REPORT OF THE SUPERINTENDENT FOR THE SCHOOL BOARD, OF CLARKSVILLE, TOWN DISTRICT, FOR THE YEAR ENDING MARCH 1ST. 1894

Friends and citizens of Clarksville, Town District, As it becomes my duty to give you an account of the schools, which I will do as best I can.

The school houses, with but one or two exceptions, are in good repair Children should not be allowed neither by parents or teacher, to mark or distroy their books, or deface their school-room in any way.

Teach the children to honor their teacher, and never uphold them in finding fault with their teacher, remember also that good schools are commenced at home, teach your children to learn their lessons at home

Children should always be taught to bear in mind that they must learn for them selves, not look to their teacher to learn for them.

Parents aught to take more thought for their children in regard to getting them to school more regular, remembering that school days are soon over, and also remember that a good school depends a good deal on the interest shown at home.

Below I will submit to you a very brief account of each school separately

District No. 1– Summer term taught by Miss. Etta A.Young, The best of feeling seemed to exist between teacher and pupils, resulting in good order and general success.

Winter term taught by Irving G. Young, There was not so good interest shown by pupils in regard to regular attendance as would of been pleasing to the teacher.

District No. 2— Summer term taught by Seddie D. Johnson, This term was very pleasant for teacher and pupils much interest being shown and resulting in good success.

Winter term taught by Jennie H. Weeks, The same interest was shown as in the summer term.

District No. 3— Summer term taught by Mrs. Julia Johnson, This is a large school and requires an experienced teacher to make a good success, I am pleased to say it was a very successful term.

Winter term taught by Miss. Addie M. Hurlbert, There was very good interest shown by the teacher resulting in quite a successful term.

District No. 4— Summer term taught by Miss. Addie M. Hurlbert, This school is quite large and requires a teacher of good diciplin and much practice. Winter term taught by Mrs. Kate Liford, This was a very successful term.

District No. 5— Summer term taught by Miss. Susie Tewksbury, This

term was reported by the superintendent of the school to be a very successful term. Winter term, It being so late before finding a teacher we could not find her a boarding place and was obliged to put off the school for warm weather.
